## Shopping Center's Friend Out Of Work 2 Mo. In B. Glade

The "Shopping Center's Friend"—the downtown parking meter in many cities—went out of action in Belle Glade on Thursday of this week and no coins will be collected until the first day of September. Many cities have found through the years that downtown parking meters only tend to drive customers out of the downtown area and to the shopping centers.

The City of St. Petersburg on the west coast had a group of downtown merchants who found to their sorrow that parking meters were driving their customers away and into the big, free parking lots maintained by the shopping centers. Enough pressure was brought on the City Council in that city that parking meters were abandoned and reports by the chamber of commerce are to the effect that downtown merchants are feeling the excellent effects of the absence of the meters.

The measure in Belle Glade was introduced by City Commissioner Aubrey Farmer.

During a discussion of downtown parking problems, Farmer introduced a motion that will eliminate the issuance of tickets for over-time parking during the two month period.

It was pointed out the meters will not be covered during the moratorium period. Those who deposit their money will be the "losers" as there was no provision for "refunds" during the grace period.

## Wallace Barnes To Open Dodge Place

A new place of business will be opened soon in Pahokee for the sale of automobiles. Wallace Barnes Dodge under the ownership of Wallace Barnes of Pahokee is the new concern to open as soon as the new building is erected.

Present plans call for erection of a handsome and modern new building to be erected on a plot of ground immediately north of the Cities Service Station across the street from the Tiny Diner. The piece of ground is between the service station and the U. S. Sugar Corp railroad spur and is an ideal location for the new business.

Mr. Barnes said this week that plans call for a full and complete line of Dodge automobiles and trucks and accessories. The building will contain a modern and up-to-the-minute sales room and repair department.

## Legion Posts Put In New Officials

Joint installation ceremonies were held in Belle Glade Tuesday for South Bay and Belle Glade American Legion posts with Ninth District Commander John F. Feeney and his staff officiating.

Wilson P. (Bud) Rivadeneira took over as commander of the Belle Glade post from Jack Rashley while Vernon Henderson replaced W. C. (Pappy) Allen for the South Bay war veterans.

## Sadie Barwick Is South Bay Florist

A new floral shop is open and ready for business in South Bay. Mrs. Sadie Barwick has opened the new shop under the name of South Bay Florist. She has had many years of experience, having owned and operated a shop in Pahokee for many years. Friends who may wish to call her will be glad to know that her place is now ready for patrons and the phone number is 998-6668. The shop is located at 60 NW First Street, South Bay.

## School Patrons In Question, Answer With School Board

About 15 school patrons of Canal Point appeared before the county school board in West Palm Beach Wednesday night in a question and answer program. Some of the questions and some of the answers most interesting to local residents are being reproduced here as furnished this newspaper by the group from Canal Point in attendance. Stanley Hooks of the local PTA was spokesman for the group.

This past term the seventh and eighth grades were taken out of Canal Point school and sent to Pahokee. This move created some vacancies in the local school and the school board says these vacancies will be filled in the 1965-66 term by transporting children from Pelican Lake and Streamline to Canal Point.

A question asked by the spokesman was "Why transport students from Canal Point to Pahokee and turn around and transport students from Pelican Lake and Streamline to Canal Point?"

Answer by the board: "Students transferred from Canal Point to Pahokee last year were all junior high school students. This was done on the recommendation in a state survey."

"It left Canal Point School as an elementary school and gave the Canal Point junior high students better educational opportunities (Continued on page 8)

## Monday Is Holiday In The Lake Region

It will be a long weekend. Business houses in the Lake Region plan to close on Saturday night until Tuesday morning.

Off Monday, the fifth, to celebrate the Fourth of July, Glades Office Building in Belle Glade will close on Friday night, as will the county barn, for the extended weekend.

A number of business houses in Canal Point, Pahokee and Belle Glade will be closed on Monday in celebration of the Fourth. City offices in Pahokee and Belle Glade will be closed.

In Pahokee the Lions will stage a barbecue and the chamber of commerce will shoot fireworks Monday night at 8 o'clock.

In direct contrast to those engaged in other occupations, Florida Highway Patrol troopers will be working full time in an attempt to keep down the death toll.

## Emmett Roberts To Run For The State Senate In 1966

Palm Beach county's veteran state representative, Emmett S. Roberts of Belle Glade, said in Tallahassee Tuesday that he would be a candidate for the state senate from Palm Beach county in 1966 under the new legislative apportionment set-up by which the county will be allowed three state senators.

State Senator Jerry Thomas also said that he would be a candidate to succeed himself in the upcoming state and county elections next spring. Skip Bafalis and Don Reed, two Republican members in the House delegation, both expressed interest in the third senate seat to go to Palm Beach county.

Joel Daves, freshman representative and one of the most popular men in the lower House this session, said that he would seek reelection to the House in 1966. Daves was runner-up in the House balloting and came in second for the most popular and hardest working member of that body.

Roberts is dean of the Palm Beach county delegation and had been named as a contender for a place on the Public Utilities Commission in the next election.

In the new apportionment bill that passed in Wednesday's session of the legislature, there will be 58 state senators and 109 house members. Palm Beach county will have three senators and five house members. With most of the present house delegation announcing their intentions to seek senate seats, it leaves the house of representatives race wide open when the campaigning starts next spring.

## Lions Barbecue Is Set Monday, July 5

The annual barbecue staged by the Pahokee Lions club will be held on Monday, July 5, according to an announcement by George Rashley, president of the organization.

Barbecue will be served from 11 a. m. until 6 p. m. at Boy Scout Beach on the dike in Pahokee and in the air conditioned Lions club building. A charge of \$1.50 will be made for adults and children under 12 will be served for \$1.00.

The Lions club has pledged the first \$100 profit from the barbecue to the Chamber of Commerce to aid in paying for the night's fireworks which have also become an annual custom in Pahokee. The remainder of the profits from the day's servings of barbecue will go to the Lions Sight Conservation Fund.

Barbecue experts Leon Spooner and Harry Elarbee head up a committee to make arrangements for preparation and serving of the food.

Tickets for the luncheon may be purchased from club members or at Rashley's Dry Cleaners, Chambliss and Commerce office, Collins Furniture, Pahokee Motors, Hendrix Hardware and Lions Club building.

## Georgia Funeral For Lon B. Wilson

Services were held this past Sunday at Flat Creek Church at Donaldsonville, Ga., for Lon B. Wilson of Pahokee who died a week ago yesterday in a West Palm Beach hospital following an operation.

Survivors include his widow, Selma; two daughters, Miss Linda Wilson of Pahokee and Mrs. Elmer B. Elliott of Tallahassee; his mother, Mrs. O. L. Norton of Albany, Ga.; two brothers, W. R. of Pahokee and Frank of South Bay; three sisters, Mrs. Lloyd Tanner, Mrs. Ray Lybarger, and Miss Pat Norton, all of Albany.

## Hurricane Course Would Be Changed By "Seeding" Plan

Hurricane season is just around the corner. Officially the season for the twisters is already open but here on Lake Okechobee we don't start looking for them until September. A couple of months from now and we'll really be on the lookout.

The powers that be in Washington are talking again about "seeding" some of the "canes in an effort to change their course. In past years this plan has been successful to a degree. However, this fall plans call for more of the same in an effort to divert the damaging twisters away from populated areas.

Out of Washington comes an interesting story about the "seeding" plan: U. S. weathermen are redesigning their hurricane seeding program to see if they can better tell a storm where to go.

Instead of sowing hurricane clouds once, weathermen will bombard them repeatedly with silver iodide for eight-hour stretches. They think the massive sustained seeding will produce better and longer control.

Called Project Stormfury, it will be the first time in two years weathermen have seeded a storm. (continued on page 8)

## Funeral Services For Victor Geiger

Funeral services were held yesterday morning at ten o'clock for Victor L. Geiger, 59, who apparently died from a heart attack on Saturday as he walked near his Lumber company on Barfield Highway. He was operator of Cash and Carry Lumber Company in Pahokee.

Services were held in the Elks Lodge room by the Elks Lodge and Graveside services were conducted at Fort Mayaca cemetery by members of the Masonic Lodge. Weathering Funeral Home was in charge of arrangements.

The native of Staunton, Ill., has resided in the Glades since 1924. He is survived by his widow, Virginia, and one daughter, Mrs. Valerie Henderson, Boynton Beach.

Other survivors include Geiger's mother, Mrs. Lucy Geiger, Walled Lake, Mich., two brothers and two sisters.

## Fireworks By C of C Only During Week End Say The Police

It's against the law to shoot fireworks in the city limits of Pahokee without a permit, so says the police department of that city. A keen eye will be out for those who transgress that law over the coming weekend, so say members of the police department.

The only permit to be issued this year will be to the Pahokee Chamber of Commerce for its annual display of fireworks on the dike on next Monday night, July 5, at 8 p. m. The hour has been set by the chamber as a practical one for the display. The shooting of the fireworks will be under the direction of skilled men in that line.

The police department of Pahokee is anxious that no accidents mar the long weekend. Every man in the department will be on hand and ever alert to ward off accidents. Drivers of cars have been cautioned not to drive recklessly over the weekend or at any time for that matter, but to consider the other fellow and take it easy.

The highway patrol and the sheriff's department will cooperate fully with the police department in handling traffic on the dike during the hours of the barbecue and during the evening when the fireworks are set off. Cooperation of all motorists is urgently requested over the weekend in order that this area may not add to the fatality list already outgrowing last year's in Palm Beach County.

## Mother Of 5 Killed In Car Accident

One person is dead, one injured and another escaped injury early Sunday morning when Commer Street, 35, Miami, struck them with his car near the Lido club south of Pahokee. They were returning to Pahokee when the accident happened. The woman, Mrs. Della Mae Winters, 23, mother of five children is the dead person. The body was sent to Tifton, Ga., for burial.

Walking with Mrs. Winters when the accident happened were George Russell Swanerbury, 20 of Bacom Point Road in Pahokee and Emmett Pugh, Jr., 26, Swanerbury is in a West Palm Beach hospital and Pugh was reported uninjured.

Styles is being held in lieu of \$3,450 bond which was set when it was pointed out that he left the scene of an accident where a personal injury had occurred and his failure to have a valid operators license.

## IN THE HOSPITAL

Patients at the Everglades Memorial Hospital this week are: Louise Devane, Betty Stuart, Bertha Thompson, Frances Adams and baby girl, Linda Prescott, Mary Hand, Jerry Hair, Betty Martin and baby girl.

Mr. and Mrs. Perty Hall and children left Sunday for a vacation in California, Oregon and Yellowstone Park.

## St. Augustine Plans Pulitzer Prize Play

ST. AUGUSTINE — The opening of "Cross and Sword," by Pulitzer Prize winner Paul Green, on June 27 heralded the arrival of a new outdoor drama for the nation's summer theatre-goers, and a theatrical first for Florida. Staged in St. Augustine's new 2000-seat amphitheatre, "Cross and Sword" re-enacts the founding of our nation's oldest city by the Spanish Admiral Pedro Menendez de Aviles in the year 1565.

The first full-scale outdoor drama in Florida, "Cross and

Sword" is the latest creation of playwright Paul Green, whose earlier outdoor dramas include such outstanding successes as, "The Lost Colony," "The Common Glory," and "The Stephen Foster Story."

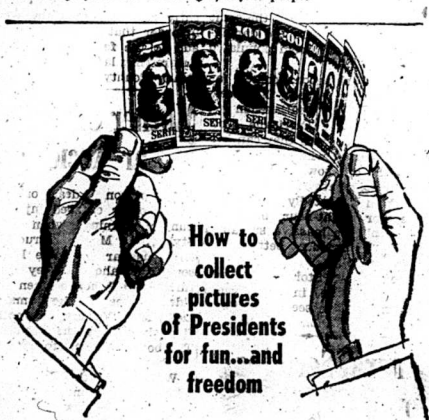

"Cross and Sword," employing a cast of 100, uses the latest in lighting, sound and dance techniques to recreate the story of the hardships and struggles of Pedro Menendez' Spanish colonists to establish a foothold in the New World. This magnificent play ranges in scope from the glitter of the Court of Philip II of Spain to the savage wilderness. It tells of the efforts of Menendez and his chaplain, Father Lopez, to establish both a permanent colony and a Christian mission among the fierce Timucuan Indians led by the mighty chief Oriba, and of the subsequent love of the chief's sister, Notina, for Menendez.

Mr. and Mrs. Sam Scruggs, Sr., have returned home from a vacation in Houston, Texas, Georgia, and Fort Walton where they visited relatives. They were accompanied to Texas by Mr. and Mrs. A. H. Scruggs.

APPROX. ONE OF EVERY FOUR VISITORS IS SEEING FLORIDA FOR THE FIRST TIME!

A message from the Treasury of a free people

Each of the seven denominations of Series E Savings Bonds shows a different President of the United States. If you're interested in this kind of art, the seven make a nice collection.

Along with the hobby, Savings Bonds offer such extras as riskless investing, 8 1/2% more money at maturity, and financial freedom for your future.

But there are other kinds of freedom tied in with your purchase of Savings Bonds. Freedom to speak your piece, choose your job, and own your property, to name a few. Every Bond you buy helps our government further the cause of freedom everywhere in the world today.

Why not start collecting U. S. Savings Bonds now? Only \$18.75 each for the George Washington variety, at your bank or on Payroll Savings where you work.

Keep freedom in your future with

## Carol Lynn Blum Wins Miss Florida

SARASOTA — Three years of competing finally paid off for pretty Carol Lynn Blum when she was named Miss Florida of 1965.

Representing Fort Lauderdale in the contest, Carol is a senior at the University of Miami.

First runner-up was Hungarian born Miss Riviera Beach, Eva Marie Kovacs, and second runner-up was Miss Hialeah, Vikki Lauffer.

The new Miss Florida is five-foot-three inches tall, and measures 35-21-34. She weighs 102 pounds. Her ambition is to sing in the Metropolitan Opera.

During the talent competition, Carol sang "Il Bacio" or "The Kiss," in Italian, one of the five languages in which she is fluent. The song included a specially written ending designed to make full use of the extremely high upper range of her voice.

Mr. and Mrs. Roscoe Stokes spent a few days in Jacksonville where they attended her sister's wedding.

Mr. and Mrs. Roy Vandegrift, Sr. and granddaughter Eunice have returned home from California where they visited relatives.

FLORIDA POWER & LIGHT COMPANY Helping Build Florida

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{4}\%$  for the first year and a half; then a guaranteed  $4\%$  each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{4}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{4}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan when you work. This Plan means you can have any amount you want automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

## PERSONAL NEWS NOTES

Mrs. Lon Wilson and daughters Linda Wilson and Mrs. Elmer B. Elliott of Tallahassee returned home Monday.

Mr. and Mrs. Herman Dyess have gone to Savannah, Georgia, to spend three weeks with their daughter, Mrs. Ed Turner while Mr. Turner is away at camp.

Mr. and Mrs. Lee Wroten and children are expected to return home Saturday from a week's visit with her brother Lt. and Mrs. Ronald Elliott and family in Winter Haven.

Mr. and Mrs. Ray Hatton and Mr. and Mrs. Joe Hatton, Jr., and families spent the weekend at Singer Island.

Judge and Mrs. J. L. Tyson have as their house guest their nephew Will Nason.

Linda Lane is attending camp Merri-Mac at North Carolina.

Bobby Jones spent the weekend at the beach with friends.

Archie Jones and Bill Gist are returning home this week after their trip to Tennessee.

Mrs. J. W. White is visiting her daughter, Mrs. Sexton in Marianna.

Mr. and Mrs. W. D. Reid and daughter Linda will leave July 5 for their summer vacation.

Celeta James is spending some-time in Georgia with relatives.

Joe Graham is visiting his father, Dr. E. J. Graham and family.

The family of Mr. and Mrs. Curtis Miners will spend the week at the beach.

Tommy Tucker returned home Sunday from the National Guard Summer Camp.

Miss Lucille Vann will leave Friday for a two week vacation at Daytona Beach.

Sharon Wilder of South Bay and Aleda Shackford of Pahokee spent Monday, June 28 at the beach in Lake Worth.

Mrs. Lillie Mae Galloway of Indiantown was the overnight guest of her daughter, Mrs. Dorothy Shackford and children Sunday night.

Jimmy Vandegrift is home from college and is now employed.

Mrs. Melvin Spooner spent the weekend in Zellwood with Mr. Spooner where he is engaged in harvesting.

Buttons, McKinstry spent the weekend with Mr. and Mrs. W. M. Weathers.

Jimmy Vandegrift, Judy Dermody, and Bobby Shackford are among the ones attending night classes at P. B. J. C. this summer.

Dr. W. T. Gist and family accompanied by Jack Sherrod will be vacationing during the month of July.

Mr. and Mrs. A. R. Harrington and family had as their guest this weekend her sister, Mrs. Sydney Preston of Hollywood.

Mrs. Oliver Stapler spent the weekend in Zellwood where her husband is engaged in harvesting.

Ross Harrington left Sunday for Methodist Youth Camp. He will return today.

Mr. and Mrs. Cecil Hall and children left Wednesday for a two week vacation in the mountains.

## City Products In Soft Ball Lead

League-leading City Products picked up ground in the Glades Fast-Pitch Softball League this week as the Icemen rode the booming bats of Butch Butler, and Jim Tyson to their seventh straight league win, a 9-4 decision from Geneva's Drive-Inn. Tyson collected three singles in five trips and Butler drove home three runs with a double and single while boosting his batting average to .400.

Phil Bonnell picked up his ninth pitching victory and struck out 14 Geneva hitters to push his league-leading total to 99. Bonnell was the league's strike out champion last year with 99, so each strike out from now on will be a new record. City Products has 13 left on their schedule.

Glades Chevrolet moved into third place as they won three straight games this week. Tony Latour and Eddie Buckner backed up Junior Meadow's pitching with consistent hitting to help the Belle Glade team up their record to 5-6 and pass up Geneva's and I. A. M. Local No. 57 in the standings. They won games from Loxahatchee 19-8, Geneva's 16-13, and Rashley's Dry Cleaners 13-2.

The Prison Farm advanced from the cellar as they beat I. A. M. 11-8. I. A. M. just missed beating Rashley's Sunday. Richard Pace belted Earl Vann for three home

runs and four RBI's, but the Dry Cleaners team pulled it out in the 8th inning with two runs, 7-6. Geneva's Drive-Inn continues to lead the league in hitting, but they are unable to get sound fielding and pitching and mysteriously fell to the cellar this week. They have now lost six in a row:

The standings:

	W	L	GB
City Products Corp.	10	1	
Rashley's Dry Cleaners	9	3	1 1/2
Glades Chevrolet	5	6	5
I. A. M. Local No. 57	2	5	6
Loxahatchee Prisoners	3	8	7
Geneva's Drive-Inn	4	10	7 1/2

## Tourist Attraction For St. Petersburg

ST. PETERSBURG — To the strings of Tahitian music the HMS Bounty slipped to her berth in St. Petersburg last week, completing a 19-day cruise from New York City.

Crewman, tired but happy, reported it was "a little rough at times" during the trip down the Atlantic coastline. The voyage began June 3. At the dock, which includes a specially-built replica of a Tahitian village, St. Petersburg officials, newsmen and 40 young ladies in native costumes, greeted the Bounty.

The Tahitian village, built by the city, will be leased to Metro-Goldwyn-Mayer for exhibition of the Bounty as a tourist attraction.

The Bounty is the same ship used in the MGM film production of Mutiny On The Bounty. Prior to arriving in St. Petersburg for permanent display, the Bounty had been on a five-month publicity tour, including a stint at the New York World's Fair.

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

## Hazard Committee Program July 17

State Road Dept. officials will cooperate with county, city and canal hazard committee members when the Groundbreaking Ceremonies for the construction of the first guard rails along area canals is held in Belle Glade on Saturday, July 17.

Plans for the roadside ceremony and the program for the luncheon at the local Holiday Inn were formulated by canal hazards committee members working with Carroll Lance, director of information and research for the State Road Department.

State Road Board Chairman Floyd Bowen, who is also the head of the State Chamber of Commerce, will represent Governor Haydon Burns. Bowen will take part in the Groundbreaking Ceremony on Highway 441 in front of the Glades Office Building, north of Belle Glade, and will speak at the luncheon.

Chelsie Senerchia, Road Board Member District No. 4, State Road Board, of Miami, will participate in the Groundbreaking Ceremonies. County Commissioner E. W. (Bud) Weaver, who represents the Glades area, will be in charge of the program along the canal bank.

As the project was born in Belle Glade and received the endorsement of area officials, Mayors George LeBron, Williams, Belle Glade; Duncan Padgett, Pahokee and Henry Eifers, South Bay, are included on the programs. Williams will welcome the guests at the invitation luncheon while Padgett and Eifers are on the roadside agenda.

Master of Ceremonies for the luncheon program will be Robert C. (Bob) Lee, a former president of the Chamber of Commerce, and publicity director for the Sugar Cane Growers Cooperative of Florida mill.

State Senator Jerry Thomas, West Palm Beach, and Representative Emmett Roberts, Belle Glade, who were influential in carrying the fight of the committee to the state level, are included on the luncheon program.

The public is invited to attend the roadside Groundbreaking Ceremony at 11:30 a. m. A huge crowd is expected to show their appreciation for the first step in eliminating the many canal hazards in south Florida.

## Rainbow Girls At Jacksonville Meet

Twelve of the Rainbow girls from Assembly No. 16 left Sunday, June 20, for the Grand Assembly in Jacksonville. The girls stayed in the Hotel Seminole.

The girls started out by attending church services Sunday night. They attended three meetings a day with time out for lunch and dinner.

The last night there, they attended the "Stairways to Sessions" which ended with the installation of state officers. State Worthy Advisor was Beverly Schultz of Fort Myers.

Chaperones were Masons' Worshipful Master Arnold Hughes and Ray Ursry, Eastern Stars Marie Hughes and Faye Ursry, also, Worthy Advisor's mother, Mrs. Wava Peacock.

## Hunters Problem Is Where To Go

Where to go is always somewhat of a problem with many hunters, and roaming highways and byways won't put many birds in the bag. The answer to part of this "where to go" dilemma may be found in the public dove hunting areas established by the Game and Fresh Water Fish Commission.

On the other hand, hunters may with little effort develop their own shooting areas. Some hunters may lease agricultural fields for hunting purposes. For those that don't, the planting of food plots for fall dove hunting may be an answer.

According to O. E. Frye, Commission Director, browntop millet has proven to be the answer to a part of the "where to go" problem and a planted dove field can pay dividends by providing some excellent hunting.

The week of July 4, is a prime planting time for the October season. Early August is the proper planting time for the November season. One successful planting pattern for browntop millet, in open fields calls for strip of millet about 15 feet wide interspersed with unplanted strip about 30 feet wide. Millet should be planted at a ratio of approximately 20 pounds to the acre and fertilized at about 600 pounds per acre.

CLASSIFIED ADS PAY BIG DIVIDENDS

Mrs. James Dean and children of Statesboro, Georgia, have returned home after a two week visit with her parents, Mr. and Mrs. Benjie Sims. She was accompanied home by her nieces Peggy Ellen and Suzanne of West Palm Beach.

Mr. and Mrs. Earl Hester of Melbourne were the guests of Mr. and Mrs. Paul Younger and Mr. and Mrs. Cecil Hall.

## Classified Ads

POSITIVELY all want ads or classifieds, as you wish to call them, are payable in advance from his day forward. Don't phone 'em. Write it and drop a dollar bill in the envelope if you want it run once. \$2 if you want it run twice and so on.

WANTS IN THE ATTIC that you don't need? A \$1.00 classified ad in this column will probably find you a sale. Just write your ad, enclose a dollar and we'll do the rest. The Everglades News, Canal Point, Fla.

**School Patrons In —**

(continued from page 1)  
in the Pahokee Junior High School. Canal Point Elementary School now has some vacancies in its classrooms. Therefore, elementary school children from Streamline and Pelican Lake are being sent to Canal Point. These elementary school children cannot be placed in Pahokee Elementary School because that facility is already crowded. It would be educationally wrong to take the Canal Point junior high school students out of Pahokee Junior High School and place them back in Canal Point

Elementary School.

"So the children from Streamline and Pelican Lake are being sent to Canal Point.

"Our original thinking was that all the children at Streamline might be taken by bus to Pahokee Elementary School. But when we got down to detailed planning and noted the overcrowding of Pahokee Elementary School which would be caused by such an arrangement, the decision was made to send some of the elementary children instead, to Canal Point Elementary School where there will be vacancies.

"Canal Point students will continue in their area's own junior

high school at Pahokee while the available classroom space in Canal Point Elementary School will be used by elementary children from Streamline," concluded the board.

Mr. and Mrs. James Sims of Lake Worth announce the birth of a son, weighing 8 pounds, 7 oz. Paternal grandparents are Mr. and Mrs. Bennie Sims of Pahokee.

**Hurricane Course—**

(Continued From Page 1)

The U. S. Weather Bureau seeded Hurricane Esther in 1961 and Hurricane Beulah in 1963, then took a breather.

This year is also will try for the first time to seed a hurricane rainband — a curve of heavy rain miles from the eye.

The new seeding experiment, announced by the Commerce department and the Navy, begins July 28 and runs through Oct. 1.

During this time, Navy, Air Force and U. S. Weather Bureau planes will feed silver iodide into storm clouds in the Western At-

lantic and into tropical cumulus clouds in the Eastern Caribbean.

In the 1961 and 1963 experiments, silver iodide generators were dropped into the storms near the top of the eyewall clouds where winds are the highest. Only a single line of generators was dropped.

Up to 17 planes — provided by the Navy, U. S. Weather Bureau and Air Force — will take part in Stormfury operations.

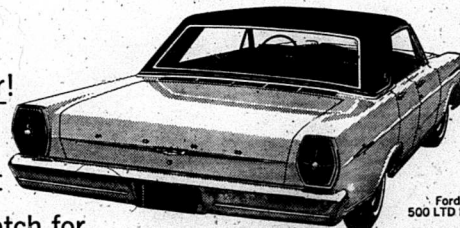

Jimmy Padgett of Waldo, Fla., is visiting his grandparents Mr. and Mrs. A. H. Scruggs in Canal Point and Mr. and Mrs. Duncan Padgett in Pahokee.
